(Commission Reference : Z.N.(S.) 636)

(For the proposal submitted see 1955, *Bull. zool. Nomencl.* 12 : 90-96)

(Letter dated 2nd February 1956)

I support the application by Dr. V. Jaanusson for the suppression of *Asaphus* Brongniart, 1817, and for the acceptance of *Asaphus* Brongniart, 1822, with *Entomostracites expansus* Wahlenberg, 1821, as its type species, since I regard this as being in the best interests of stability in nomenclature of the Trilobita.
